

ENERGY MANAGEMENT SYSTEM POLICY (ISO-50001)

AS STANDARD PROFİL GROUP OPERATING IN THE FIELD OF PRODUCTION OF SEALING PROFILES IN THE AUTOMOTIVE SECTOR, WE MANAGE OUR ENERGY SYSTEMS IN LINE WITH OUR VISION OF CONTINUOUS DEVELOPMENT AND SUSTAINABLE GROWTH. FOR THIS, WE COMMIT;

To work ensuring continuous improvement of energy performance and Energy Management System,

To support energy-sensitive production and design where appropriate,

To evaluate the legal and other terms and complying with these terms,

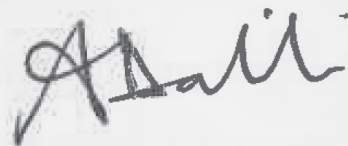

To ensure that the necessary information, documents and resources are accessible to achieve the energy targets,

To ensure that energy efficient products and services are used and taken advantage of them by constantly monitoring them,

To raise the awareness of our employees on energy efficiency.

Afşin Dakiki
